

Match our Donation Fundraiser!

Sports Equipment for our gym.

Our Youth Group is challenging you to match our donation!

Our church and community has already benefitted greatly from the gym and now we have decided to begin fundraising to add sports equipment. Things such as installing basketball hoops, hockey/soccer nets and other things will open up many more opportunities for the gym to be used.

We as a youth group AND our church will each match your donations up to \$6000!

That means that any donation you make will triple!

**Would you consider donating
to help us reach the full \$18000?**

Talk to Pastor Brent or Church office for details
Designate cheque or etransfer to "Fundraiser" office@gracech.ca
