Guidelines for Conduct

Neuanlage Grace Mennonite Church, Punnichy Ministry 2022

In recognition of the special nature of a Ministry trip, the following Guidelines for Conduct are expected to be followed by all participants.

- A. You are expected and invited to live in a Christ-like manner. This involves a willingness to maintain a spirit of unity and harmony, to extend politeness and courtesy to those on the team and others we come in contact with.
- B. Be flexible. You will not always have things how you want it! Things will not always go as you expect!
- C. Be tolerant. You will need to extend understanding to different styles, personalities, and situations.
- D. Be patient. Our schedule will not always occur as you would like or as the group wants.
- E. Abstinence from alcohol and drugs is affirmed as a healthy choice by counselors, psychologists, medical professionals, and the wide evangelical Christian community. On the trip, use of alcohol (including meal times) or drugs is not permitted.
- F. Abstinence from smoking/vaping, is recommended by the Health Department of the Government of Canada, the Canadian Heart and Lung Association, and many other agencies and church based groups. To encourage a healthy environment for all participants of the Punnichy Ministry, smoking/vaping/chewing tabaco, etc is not permitted.
- G. Respect all persons. Verbal abuse, profane, lude or demeaning language is not appropriate.
- H. Appropriate dress is expected at all times. No wearing of immodest tank tops or low cut dresses or blouses, cut-offs, 2 piece swimsuits (unless a t-shirt is worn over), nor clothing that includes screen-printed/decaled items with cigarette/vaping, alcohol, or secular music group advertising.
- I. Dating, or pairing off is not encouraged. The central focus of the missions trip is serving others. At times, dating and pairing off can become self-centered. Strive to be in contact with many different individuals on the trip. Include others in a group of friends, rather than pairing off. If you are dating someone before your involvement with the Short-Term Missions Team and both of you intend to be on the trip, please avoid excessive public

expressions of affection. Avoid offending others by behaviors you simply view as innocent signs of affection.

- J. Cell phone use. Cell phones are a fantastic way for us to communicate however excessive cell use very easily becomes a major distraction. It is distracting to you as well as to those around you. Please do not use cell phones and other devices unless it is an appropriate time or is an emergency.
- K. While travelling, and during the Missions trip week, you are asked to not go places alone. Travel in groups of 2 or more people. Additionally, your assigned Team Leader should know where your group is. This helps avoid unfortunate situations like individuals getting left at gas stations, assaults, simply getting lost, etc.
- L. Follow the group's routine. Each Individual is expected to follow the set program and instructions given.
- M. Work hard. VBS, work projects and evangelism can be hard work. Everyone should do his or her share. Many hands make for less work. Plus, you are expected to remain on task.
