Costa Rica 2023 is happening!
It's been a long time coming.

Our Missions Trip announcement has been made and the application process has begun. I am super excited that our youth group is going to Costa Rica in July of 2023. This month (November) youth (grades 9 & up) are invited to think, pray and decide if they feel called to apply to be on the team for this missions trip. I want to encourage youth and parents to pick up an application packet and talk to me about what this commitment looks like and if it's a good fit for you. The deadline is November 30th for the applications to be handed in so please don't wait!
