## **Why?**

This Jr Youth retreat will be a fun opportunity for kids to get to know other kids as well as the leaders that help lead our Jr Youth Group. Our goal is to build relationships with each other and Jesus in a fun weekend.

## **Where?**

Our retreat happens on the beautiful property of Shaun & Rachel Berg near Alvena Sk, approx. 1 hour from Neuanlage. Their family has attended our church for years and their daughters Kaylee, Hannah & Bently all attend our youth group. The property has rolling hills, lots of bush and an amazing small fresh water lake that is perfect for those hot summer days.

The retreat is an outdoor weekend including tenting and firesides. Meals are provided outside and household washrooms are available in the Berg's house throughout the weekend.

## **Some more details**

The full retreat is a 2 day overnight retreat however a 1 day option is offered in an attempt to accommodate as many as possible.
