Please be sure to invite your friends!

I find that kids prefer to go to events when they know their friends are going too. So invite a friend.

Also, if you have any doubts as to whether or not you should go, try it. At least once. Most kids are hesitant to try it but when they try it they find that it is such a great weekend and they love it. So try it!

Parent Drivers

We have been so blessed with kids coming to our youth group this last couple of years that I never really know for sure if we will all fit into our youth van. So.... If we happen to get so many people coming that we no longer fit into our youth van I will be looking for help with drivers.

Nipawin is a 2.5 hour drive each way.

Accommodations at the College the weekend of this retreat are **not 5 star** however you do not need to stay if you don't want to.

If you would be interested driving kids to Nipawin on Friday, or picking kids up on Sunday...

Or..... If you are interested in coming for the whole weekend, let me know!

Yes, I am interested in driving kids that weekend. My life would not be the same if I didn't!
